Combined Comments on 20170629 Phase III report 9-4-17.docx

Hi Dave

I've attached a draft of revised comments for your review. I mostly made changes to make our "request" more defined, less ambiguous or discretionary.

(BTW, I am unable to access the letter you tried to send us on Saturday. Is it possible to send it another way?)

Dan

Here is the final draft of the comment letter into which your comments are generally incorporated. Please take a look and lets discuss.

I intend to transmit to the MassDEP by Sept 8.

Thanks for your time and attention in reviewing this.
